

# DID YOU KNOW THAT MERSEA IS **UNDER THREAT?**

The Island as we know it could **disappear**.

## Colchester Borough Council propose huge developments:

- Up to **350** houses to be built near East Road
- Increase of **one seventh** of Island population
- **1000+** more people
- Allowing **extensions** to Caravan Sites

## How can the Island cope?

More **pressure** on:  
overloaded doctors, health services, school, roads, the Stroud and more.

**Mersea way of life gone forever...**

## What you can do?

See the plans on **West Mersea Town Council Website**.
